ADA COMPLIANT

Cross-Guard™ ADA Compliant Ramps and Rails feature a gentle slope and slip resistant ramps to provide a safe crossing point for wheelchairs, carts and vehicles with small wheels. These ramps and rails can also be used in conjunction with Cross-Link Protector Bridges.

- Compatible with select Linebacker® & Guard Dog® Protectors
- Lightweight, 36" wide, modular ADA compliant ramps
- Quick attachment to one or multiple cable protectors
- Side rails provide ADA compliant edge protection
- Add ramps and rails whenever requirements specify
- Does not prevent accessibility to cables and cords
- One person installation - no tools required
