

<b>Easy Installation</b>	<u>Casters</u> and levelers are preinstalled to allow you to easily move and load your system into the desired location. (Rack <u>hardware</u> not included.)
<b>Removable Cable Access Panels</b>	The top of the server cabinet includes removable laser knockouts for cable access and added versatility.
<b>Locking, Removable Side Panels</b>	For a completely different look, the side panels are both removable and lockable giving you the option to create the cabinet that best suits your needs.
<b>Adjustable Rails</b>	Includes two sets of adjustable, vertical rails which extend to a maximum depth of 24" for versatile mounting options.
<b>Secured System</b>	Both doors are equipped with locks to help protect and secure your valuable equipment.
<b>Locking Solid Door</b>	The locking solid steel door protects the equipment from unwanted viewing or access, while preventing dust and debris from settling on the equipment.
<b>Locking Vented Door</b>	The locking perforated door promotes better air circulation within the cabinet. This vented design is especially helpful for equipment that generates a lot of heat, such as servers, UPS's, and more.
Part Number	3106-3-024-27
Width	24"
Depth	27.00" (Useable 24.00")
Height	54.25"
Weight	145.00 lbs.
Shipping Dimensions	32" L x 45" W x 61" H
Material(s)	CRS (Cold Rolled Steel)
Color/Finish	Black Powder Coated Finish
UPC	879447004892
Warranty	5-Year Limited Warranty
