

Easy Installation	<u>Casters</u> and levelers are preinstalled to allow you to easily move and load your system into the desired location. (Rack <u>hardware</u> not included.)
Removable Cable Access Panels	The top of the server cabinet includes removable laser knockouts for cable access and added versatility.
Locking, Removable Side Panels	For a completely different look, the side panels are both removable and lockable giving you the option to create the cabinet that best suits your needs.
Adjustable Rails	Includes two sets of adjustable, vertical rails which extend to a maximum depth of 24" for versatile mounting options.
Secured System	Both doors are equipped with locks to help protect and secure your valuable equipment.
Locking Convex Door	The locking convex door provides a unique curb appeal for your cabinet, while remaining a cost-efficient solution for your equipment. This design also helps promote better air circulation within the cabinet, and is especially helpful when storing equipment that generates a lot of heat.
Locking Vented Door	The locking perforated door promotes better air circulation within the cabinet. This vented design is especially helpful for equipment that generates a lot of heat, such as servers, UPS's, and more.
Part Number	3110-3-024-37
Width	24"
Depth	27.50" (Useable 24.00")
Height	71.75"
Weight	170.00 lbs.
Shipping Dimensions	32" L x 45" W x 79" H
Material(s)	CRS (Cold Rolled Steel)
Color/Finish	Black Powder Coated Finish
UPC	879447005028
Warranty	5-Year Limited Warranty
Shipping Method	LTL Freight
