

DESIGN YOUR GARAGE

WITH THIS GRID, YOU ARE ABLE TO PLOT OUT WHERE YOU WANT EVERYTHING TO BE.

HOW TO DESIGN YOUR GARAGE

- 1) **MEASURE THE ENTIRE ROOM:** USING THE PROVIDED GRID, PUT THE MEASUREMENTS DOWN. EACH SQUARE IS EQUAL TO 1 SQUARE FOOT, BUT YOU CAN CHANGE TO FIT YOUR NEEDS.
- 2) **USING THOSE MEASUREMENTS:** USING THE MEASUREMENTS OF YOUR SPACE, AND THE MEASUREMENTS OF THE UNITS PROVIDED TO PLOT THEM IN YOUR GARAGE.
- 3) **FINISHING UP:** USING THE BLUEPRINT, YOU CAN EITHER FAX OR EMAIL US THE BLUEPRINT OF YOUR GARAGE, WITH WHAT YOU WANT IN IT, AND WE CAN THEN ARRANGE SOMETHING TO FIT YOUR NEEDS.

CONTACT US AT: SALES@CARGUYGARAGE.COM OR FAX US AT 847-685-1317

1 SQUARE = 1 SQUARE FOOT
