Outdoor Rooms

Thanks to a growing abundance of stylish weather-resistant furnishings, bringing the indoor lifestyle outdoors has never been easier. Neutrals or color-rich, wood, metal or something else, these choices and more are all yours.

1 The Bouquet pillow from Stephanie Ferguson Design is made of a cotton twill with an invisible zipper and a faux-down insert. Best used in protected areas. Find it at cirque612.com.

2 An accessory for all seasons, the Diamond Denim/White indoor-outdoor woven rug is scrubbable, bleachable and UV-treated. Available at dashandallbert.com.

3 Santa Barbara Umbrella pays homage to the Mid-Century movement with its Double Decker hexagonal umbrella in Retro Cool. For sources, go to stumbrella.com.

4 Designed by Holly Hunt, the Banyan Lounge is constructed of natural, weathered or oiled teak and comes with an additional pillow option. Check it out at linkoutdoor.com.

5 The Italian-style Rustic Garden Cobalt Round Vase from Vietri is made of glazed terracotta earthenware and is embellished with a sunflower emblem. Find it at plantstandaz.com.
